

Summer  
2021

## Covid-19 Plan

**Updated May 12**

Calvary Road Christian School safely operated during the 2020-2021 school year with minimal disruptions. Using practices and strategies we deployed during the school year, we intend to open our summer camp this coming summer. Our top priority is the health and safety of our campers, staff and their families.

We recognize, however, that no level of preparation allows us to guarantee that our day camp will remain free from the implications of COVID-19, but we are confident in our ability to run our programs in a safe and meaningful way and to respond swiftly and intentionally when necessary to prevent the spread of COVID-19.

**This guide is intended as a living document and will be periodically updated in order to ensure the most current guidelines are in place.**

# Mitigation Strategy

## Partnership

Creating a safe and stable environment free of COVID -19 is a top priority for us. Doing so requires our families to be our partners in participating in pre-camp screening protocols. We worked hard in our current school program to build shared accountability amongst our staff and families to keep one another safe. If we work together, we will limit the risks and maintain a culture of compliance.

# Personal Hygiene

- Provide Hygiene Education
- Hand washing stations and touch-less hand sanitizing stations will be placed in common areas and entrances throughout the building
- Classrooms contain touch-free sanitizer dispensers
- Hand washing before eating, after being outside and various times throughout the day
- nanoSeptic technology is used at high traffic locations throughout the building

- All staff and students age 3 and over will wear masks when they cannot be socially distant from others, or when moving throughout the building
- Masks are not required when outside and/or when social distancing can be maintained
- We understand that prolonged use of face coverings could be difficult and even inappropriate for some students/staff (especially our youngest campers), and we hope to provide flexibility based on meeting physical distancing criteria
- Masks will not be required when eating or playing outside
- All parents, campers, staff and visitors are required to wear a mask when entering the building

- All campers are to bring a labeled, refillable water bottle each day
- Water fountains will be closed for drinking, but campers may refill water bottles as needed

# Cleaning (outside of normal)

## Nightly Sanitization

- All classroom touch surfaces
- All touch points to include door knobs, door pushes, light switches, hand rails and water fountains

## Daily Sanitization during Operational Hours

- Clean and disinfect restrooms at least 3 times during operational hours
- Sanitize all classroom door knobs, restroom door pushes, office door knobs, sinks, water fountain, and stairwell handrails at least 6 times during operational hours

# Lost and Found

- Lost items will be placed in a centrally located, easily accessible location
- All masks and personal items must be labeled with first and last names
- Lost items will only be secured for one week
- Items that remain unclaimed longer than a week will be donated

# Food

## Lunch

- Campers will be able to purchase lunch from Fairfax Food Service or bring their lunch from home. All purchased lunches are prepared offsite and delivered to our campus daily
- Lunches must be paid for by Monday at 6:45 am
- Home lunches will not be refrigerated or heated prior to consumption

## Snacks

- Snacks are provided twice daily
- All snacks will be in pre-packaged wrappers
- Staff will wear gloves while handling all food

# Class Size and Movement

## Red Shirts Group A

Campers will stay with the same pod of children for the entire week from the hours of 9:00 am - 3:30 pm. Campers may mix with other pods within their age group (Red Shirts/Group A), before 9:00 am or after 3:30 pm. Please keep in mind that our rosters change weekly. So, while we will attempt to keep the roster the same each week, please be mindful that it may change.

- 10 per pod
  - Playground and other shared spaces will be divided into sections to limit mixing of classes
  - No mixing of classes between 9:00 am - 3:30 pm
- 

## Blue Shirts Group B

## Green Shirts Group C

Campers will stay with the same pod of children for the entire week from the hours of 8:30 am - 3:30 pm. Campers may mix with other pods within their age group, before 8:30 am or after 3:30 pm. Please keep in mind that our rosters change weekly. So, while we will attempt to keep the roster the same each week, please be mindful that it may change.

- 15 or less per pod
- Classes will stay the same daily, with counselors rotating
- Playground and other shared spaces will be divided into sections to limit mixing of classes
- No mixing of classes between 8:30 am - 3:30 pm

# Arrival & Dismissal

## Red Shirts Group A

- Group **A** Campers will arrive and dismiss via Door 8 with the exception of Check-In on Monday mornings
- Parents may not leave the preschool wing even if they have campers in other groups
- Group **A** parents may walk their camper to the classroom
- All parents and campers must wear a mask
- All Parents and campers must immediately use hand sanitizer upon admittance (stationed at door)
- Parents arriving after 9:00 am or leaving before 3:30 pm, must ring the bell at Door 3 for assistance
- Parent codes will not work between the hours of 9:00 am and 3:30 pm
- Office visits by appointment only

---

## Blue Shirts Group B

## Green Shirts Group C

- With the exception of Check-In on Monday mornings, parents of **B/C** Campers will not be permitted to enter the building except by pre-arranged appointments
- Campers will enter and exit via Door 3
- Parents arriving after 8:30 am or picking up before 3:30 pm, must ring the bell at Door 3 for assistance
- If Groups B/C Campers are not on the playground, parents will come to Door 3 for pick-up or drop-off. Campers who are on the playground at the time of arrival or departure, may be picked up or dropped off from the playground
- Face coverings must be worn by all campers to enter the building
- Parents are required to wear a mask during drop-off and pick-up

# Special Events

## Pool

This year, Camp Crusader has made the decision to not take our Group B and Group C Campers to the pool. (Group A always stays on property.) This decision reflects the current COVID challenges and the potential risks. The Camp leadership is planning water activities on campus to ensure a wacky, wet time is had by all campers.

## Field Trips

Typically, Group B & C Campers go on one field trip per week in addition to the pool. This summer we will be limiting our off-site trips. We are confident we can provide the same excitement by bringing in different activities and events to make an impression that will last for a lifetime.

# Health Screening

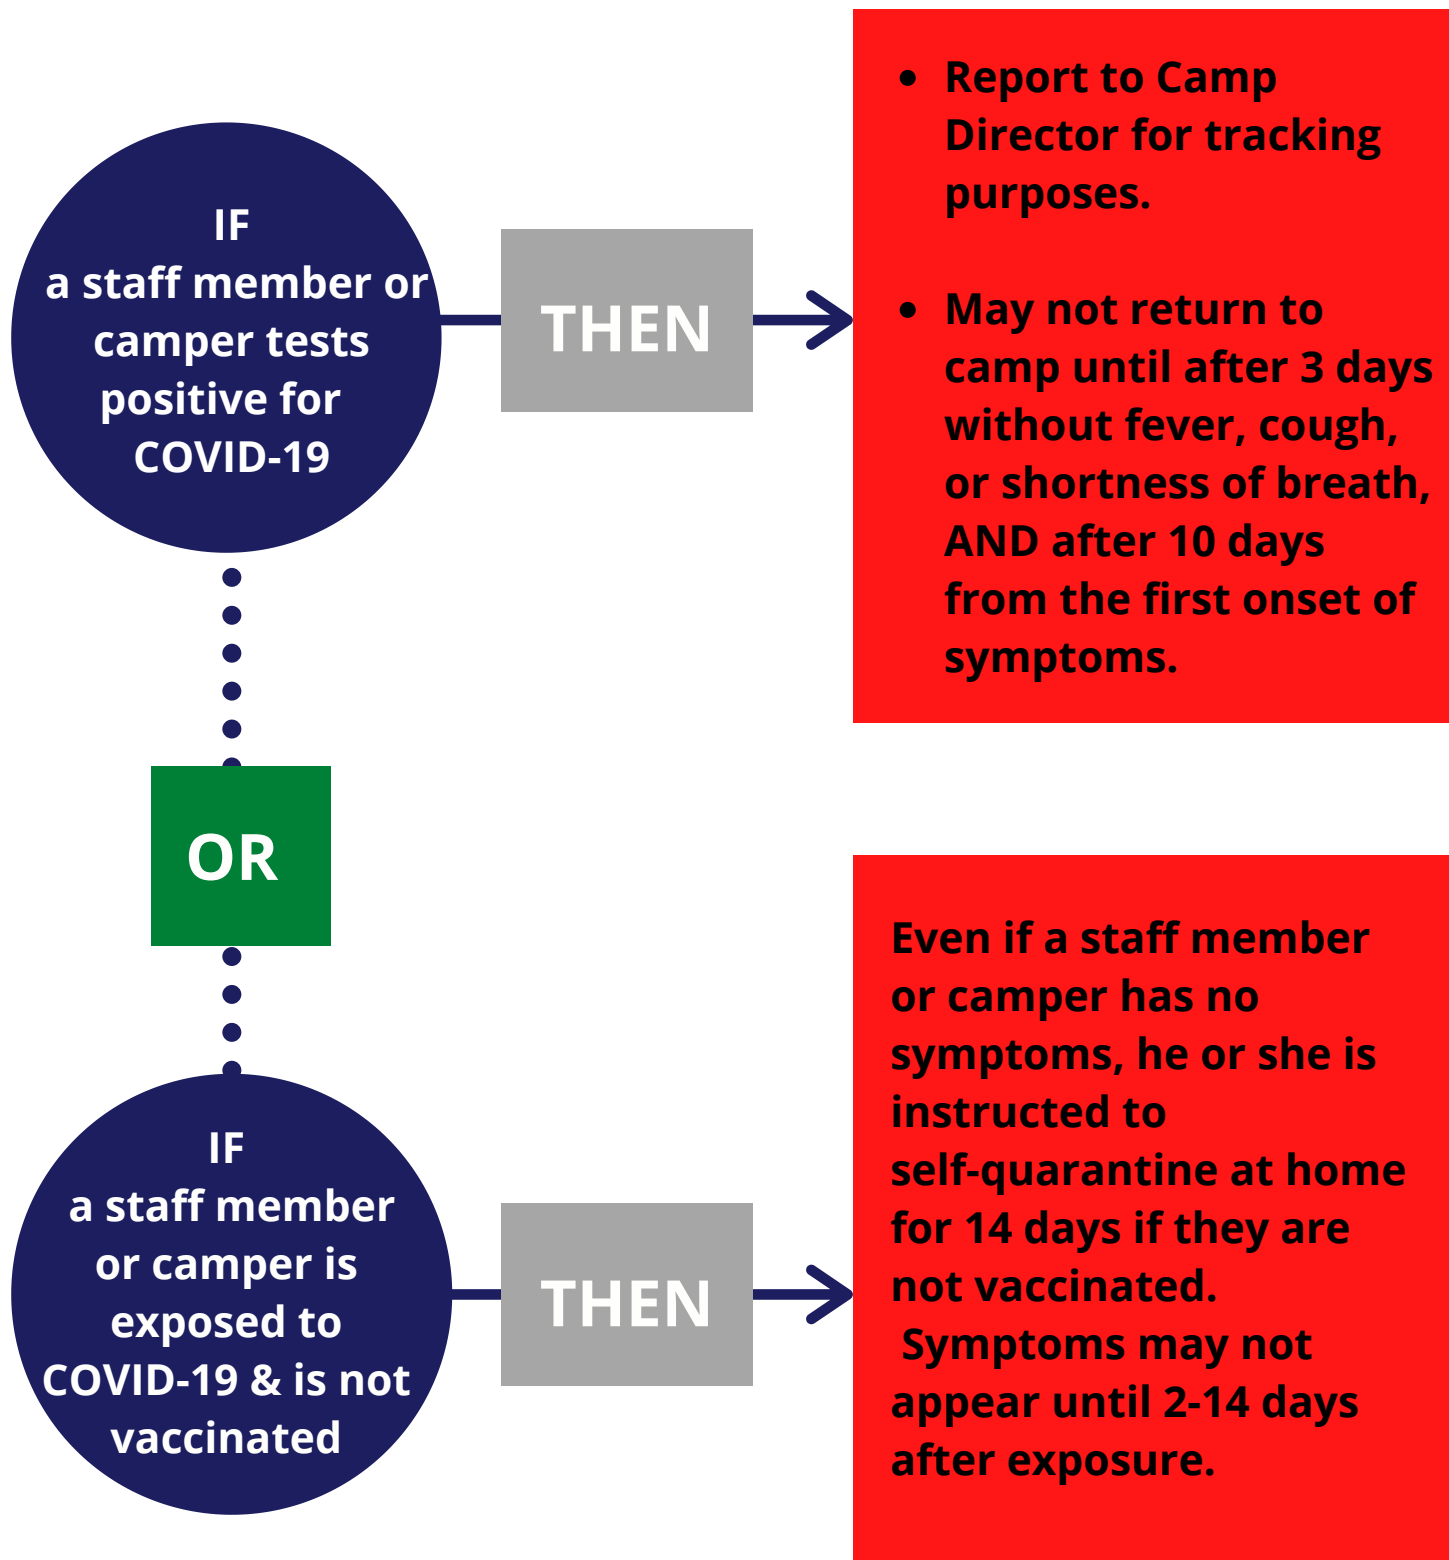

- All persons on campus are randomly subjected to temperature checks throughout the day
- Campers or staff with a temperature over 100°F will immediately be sent home
- Campers awaiting pick-up with elevated temperatures will wait in the designated Isolation Room
- If individuals must go home from the Isolation Room, Camp Crusader Staff will escort the camper to the car of the family
- Parents need to have a plan if they are contacted by the camp and advised their child has become ill. Campers must be picked up within 1 hour of phone call
- Parents are asked to keep children home if temperature is elevated over 100°F or they have other symptoms of a cold
- Campers must be fever free and symptom free 24 hours before returning to camp

# Health Screening Part II

What if a staff member or camper **becomes ill** with COVID -19 or **is exposed** to someone with COVID-19?

# Health Screening Part III

## Camp Crusader Communications

- Maintain clear communication with the Fairfax County Health Department, employees, and Camp Crusader families about on-going policy adjustments and/or illness outbreaks
- Provide educational materials to staff, campers, and families about how to stop the spread of COVID-19, symptoms of COVID-19, and what to do if you feel sick
- Communication protocol in place to report to the Virginia Department of Health (VDH) or Fairfax Health Department:
  - Increased absenteeism
  - Identified cases of COVID-19
  - Those in quarantine due to exposure

## Tracking

- The Camp Director will be the contact person if campers become ill with COVID-19
- The Administrative Assistant will maintain tracking of absences and illness in the camp community
  - Assist the local health department with contact tracing of those exposed by being less than 6 feet away for longer than 10 minutes of a COVID-19 positive individual
  - Avoid identifying the infected person when contact tracing
- Respect the private health information/identity of each individual who becomes ill

# Before Monday Morning

**In order to have a more streamlined, safe approach the following guidelines will be in place for Monday mornings:**

## **Before Arriving to Camp**

1. All weekly fees, including lunch must be paid for and reserved by Monday morning at 6:45 am. Campers cannot attend camp if they have not paid their fees.
2. Lunch must be purchased online before 6:45am and paid at the time weekly fees are paid

**All financial responsibilities must be taken care of through our online system by Monday morning at 6:45 am.  
This includes lunch.**

# Monday Morning Check-In

**Please remain 6 feet apart and wear a mask.**

## **Camper Check-In Group A**

1. Check-in by Door 3 with your camper (across from playground)
2. Put their red camp shirt on (over shirt is okay, we will get them changed if needed)
3. Walk/drive around to Door 8 to enter
4. Notice class pods on door
5. Walk your camper into their classroom

## **Camper Check-In Group B**

## **Camper Check-In Group C**

1. Check-in by Door 3 with your camper (across from playground)
2. Put their new shirt on (over shirt is okay, we will get them changed if needed)
3. If checking in after 9:00 am, ring the bell at Door 3

**All campers should be checked in by 9:00 am on Monday Morning.**

**All financial responsibilities must be taken care of through our online system by Monday morning at 6:45 am. This includes lunch.**

# Cancellations and Refunds

Camp Crusader has updated our Summer Camp Cancellation Policy for the 2021 camp season in light of the COVID-19 pandemic.

## **Campers are eligible for a full 100% refund for all Summer Camp programs if:**

- Camp Crusader cancels or reschedules any summer week due to the COVID-19 pandemic.
- Families are adversely impacted by COVID-19 (suspected exposure to COVID-19, caring for sick family members, etc.) and have to cancel their registration. If there is space in an additional week, registration may transfer.

## **Cancellations after the camp session (week) has started**

After the camp session has begun, if an illness, unforeseen circumstance or hardship due to Covid-19 causes a camper to miss two or more days of camp, CRCS will decide on a case by case basis whether to refund the per diem camp fee for missed days of camp. CRCS is unable to offer refunds for a single or partial missed day.

This change in policy **only** applies to Covid-19 specific health concerns.

# How Can You Help?

Pray for the health and safety of our community, especially for our campers and staff

We ask that all of our families support Camp Crusader's health and wellness protocols by keeping children at home:

- when they are not feeling well
- have COVID-like symptoms
- have potentially been exposed

**DISCLAIMER:**  
**DECISIONS MADE FOR THIS REOPENING PLAN ARE SUBJECT TO CHANGES. CAMP CRUSADER WILL FOLLOW ANY MANDATED REQUIREMENTS ISSUED BY THE GOVERNMENT. ALL PARENTS WILL BE ASKED TO SIGN A WAIVER WHICH ACKNOWLEDGES THAT THERE ARE RISKS ASSOCIATED WITH CAMPERS ATTENDING CAMP.**
